ABOUT ME

A very driven architect and graphic designer, looking for the right opportunity to release all my creativity. I'm willing to experience different fields, in order to increase my database. Also a very fast learner and the most positive person you'll ever meet.

EDUCATION

- 🎓 Bachelor's Degree
in Architecture and Construction Engineering
Institution: Alexandria University
Year of Graduation: 2023
GPA: 3.03

WORK EXPERIENCE

- ✿ **Architecture Intern** | October 2023
at Al-Magd Engineering Office
Designed and drew working plans for residential buildings in Libya.
- ✿ **Site Engineer Intern** | August - September 2022
at Talaat Mostafa Group
Visited Sawary site and learned all about finishing, electricity, and elevation works.
- ✿ **Volunteer Event Organizer** | July - September 2019
at Bibliotheca Alexandrina
Helped in organizing international events and assisting guests of different nationalities.
