PROFILE

I am a qualified graphic designer and ui/ux designer with 2 years of experience in graphic and app/web design. Strong creative and analytical skills. Team player with an eye for detail.

EXPERIENCE

INDEPENDENT MOBILE APP DESIGN AND GRAPHIC DESIGN PROJECTS

MOBILE APP DESIGN

- Created interactive and visually appealing mobile app designs for iOS and Android platforms
- Developed wireframes and prototypes using design tools such as Figma
- Implemented user-centered design principles to enhance the user experience

GRAPHIC DESIGN

- Designed engaging visual assets for various marketing campaigns, including logos, banners, and social media graphics
- Utilized Adobe Creative Suite (Photoshop, Illustrator, InDesign) to create high-quality designs
- Collaborated with clients or team members to understand project requirements and deliver designs that align with their vision
- Adapted designs for different mediums, such as print and digital platforms, while maintaining visual integrity
