ABOUT ME

I am a graduate of commerce college and I am currently looking for an internship / junior React.js to work as a front-end developer. I am passionate about building functional and good-looking sites, I am a quick learner and a team player. I am always learning and growing, and I'm excited to become a next big thing in the web development industry.

SKILLS

Languages: JavaScript, HTML, CSS, React.js.

Technologies: Redux, Bootstrap, Tailwind

PROJECTS
