## SUMMARY

A creative and determined graphic designer who is constantly expanding my skills. I am eager to learn and grow to become proficient in my field. I am interested in branding, advertising, social media designs and logos. Seeking a challenging opportunity to further develop my skills and contribute to a dynamic design team.

## EXPERIENCE

### Junior graphic designer

**Freelance**                                                                 **October 2023 –February 2024,  Egypt**

· Created visually appealing designs for print and digital media, including logos brochures, and social media graphics.
· Utilized Adobe Creative Suite to execute design projects efficiently and accurately, ensuring timely delivery to clients.
· Conducted market research and trend analysis to stay current with industry standards and incorporate fresh ideas into design projects.

### Human resources

**Google Developer Student Clubs (GDSC)**                    **October 2021 – June 2022,  Damanhour, Egypt**

· Developed and distributed comprehensive meeting agendas outlining objectives, topics, and preparation guidelines for team members, resulting in improved meeting efficiency and productivity.
· Generated weekly reports for the department, ensuring accurate and timely delivery.
· Developed comprehensive data storage system using Excel, resulting in streamlined and accurate HR processes.
