## Software Engineer

📞 +923122904787    ✉ inno.abdulqadir@gmail.com    📍 New Karachi

## SUMMARY

A highly motivated and detail-oriented PHP Developer with over 9 years of experience in designing and developing dynamic web applications. Seeking a challenging position to contribute my skills in PHP, MySQL, and modern web technologies to deliver scalable and robust solutions.

## EXPERIENCE

### Software Engineer

#### Dawat-e-Islami

📅 2022 - Present

I am currently working as a PHP Developer, responsible for developing and optimizing ERP solutions to enhance business operations. My focus is on creating scalable, efficient systems that drive long-term growth and improve organizational performance.

- Developed web applications using PHP and frameworks such as Laravel and CodeIgniter.
- Created dynamic webpages using HTML, CSS, JavaScript and PHP.
- Developed and maintained web applications using MVC architecture.

### Php Developer And Software Management

#### Innovative Network

📅 2016 - 2022

As a PHP Developer, I worked on developing and customizing ERP solutions to streamline business processes and enhance operational efficiency. I integrated various modules, improving system functionality and supporting long-term business growth.

- Developed and maintained scalable web applications using PHP and frameworks such as Laravel and CodeIgniter.
- Designed and implemented RESTful APIs to integrate with front-end systems. Collaborated with cross-functional teams to gather requirements and deliver solutions within deadlines.
- Optimized SQL queries and database structures for improved performance.
- Debugged and resolved complex application issues.

### Social Media Marketer

#### 3D EDUCATORS (Institute)

📅 2012 - 2014

3D Educators is a training and development organization in Karachi, Pakistan that offers courses in a variety of domains:

- Classified ad Posting.
- Email Marketing.
